- (CR) Creative - Digital Design and Art, Banner Printing, Makerspace
- (MK) Marketing - Bulletin, Website, Social Media, Newsletters

WHAT AREAS ARE IN NEED

IN ORDER OF ACTIVITY FREQUENCY

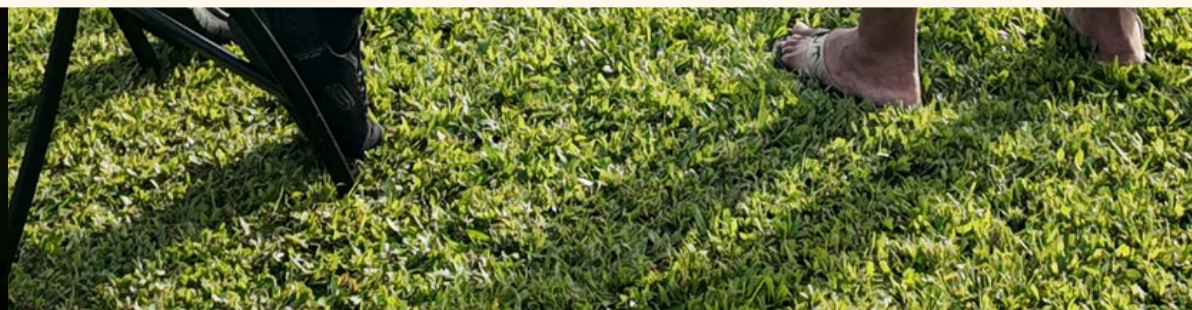

1. TechOps (Broadcasting, Audio/Video)
2. Marketing (News Bulletin, Website and Social Media)
3. Studios (Photography of Sports and Events, Videography)
4. Creative (Digital Artists, Banner Printing)

GET INVOLVED

- When activities are posted, consider your schedule, see if you can attend, even if it means moving things around in order to participate.
- The more students interested in attending, the more we can spread out the heavy workload amongst our membership.
- Don't be a ghost member! Don't sign up and then do nothing. Make an effort.
